

COOLER BAG TO GO!

The INSULATED BUGGY SHOPPER is a cool and functional accessory for active families and for all who enjoy life with all its opportunities at the right temperature when out and about with baby.

The cooler bag for the stroller impresses not only with its insulating properties, but also with its various carrying options. This bag is the perfect companion for your next picnic at the playground, at the pool, on the beach or just for a spontaneous shopping trip.

Everything at the right temperature when on the go: The insulated main compartment takes care of this. It keeps the temperature of warm baby food or freshly prepared snacks and cold drinks for a longer period of time. While temperature-sensitive baby bottles or jars can be safely stowed in the side loops, fruit, lunchbox or sunscreen can be stowed in the middle. In the additional zipped compartments on the inside and outside, other small items like pacifiers, cell phone, wallet or keys can be stowed within easy reach.

A foldable space miracle: Should the walk last longer than planned and a few treasures from nature are collected along the way, the size of the stroller bag can be expanded by opening the folding pocket integrated in the second lid. In the flexible shopper, items for diaper changing or toys can also be taken along without any problems.

Flexible carrying options: Thanks to the D-rings on the side and the attachments included with the stroller, the Insulated Buggy Shopper can be quickly and easily attached to the stroller, both in its function as a cooler bag as well as in the unfolded state. This is particularly convenient and easy on the back when young parents are on a longer trip. This amazing bag can also be easily carried by wearing it over the shoulder. Well prepared for the next family trip with baby!

The color contrasting elements on loops, shoulder straps and zippers provide an extra sporty touch, depending on the model.

Material:

100 % polyester (outside)

100 % polyethylene (inside)

Capacity: 8 l

Measurements: 22.5 cm x 36 cm x 15 cm
