

İkram Gıda started its commercial life in 1998 at Rami Kuru Gıda Site. Our company, which operates in the Istanbul market with the products it produces at the production site in the Gemlik Olive Bazaar; To ensure customer satisfaction and trust in a short time.

Instead of the old production place, which started to be insufficient for the needs of the company in terms of physical capacity, the foundation was laid for modern facilities with a daily olive processing capacity of 10 tons, with an area of 6000 square meters, 3500 square meters of which is closed, in the Umurbey Organized Industrial Zone. 2002. With the completion of the construction in 2003, all production was moved to this new facility and the targets grew with the increased production capacity.

Our company, which moved its activity center to Mega Center Food Center in 2005 in order to adapt to the changing market conditions over time and to complete its corporate identity, is able to appeal to national and local retail chains with the marketing network it has established, and has also given franchises everywhere. Earth.

Our company, which incorporated the "Köy sefas" brand in 2010 to meet the demands of our citizens living abroad, has become one of the important suppliers of Germany, France, Austria, Belgium, Netherlands, Denmark, England and Switzerland. markets in a short time. Our company is the export leader especially in the plastic bottle group and aims to be the sector leader in Europe with its ever-increasing product range.

Our company, which stores most of the products it sells throughout the year in its own facilities during the harvest period, easily responds to the demands of the dealers as soon as possible.
