Sweet Stories® sweet cotton floss – carefree enjoyment

Fruit gums, marshmallows, hard caramels, and a very special kind of chewing gum have been the core competence of tri d'Aix for over 30 years. The company from Alsdorf near Aachen is always on the lookout for innovative and trendy products that are up to date.

In line with ISM 2023, tri d'Aix is launching an exciting new product on the German market, which does justice to the trend towards healthier snacking with undiminished good taste. Under the well-known Sweet Stories® brand, tri d'Aix introduces a sweet treat with no added sugar, based on oligofructose. The great alternative to classic cotton candy comes with up to 90% less sugar and is also free of flavour enhancers, colourings and gluten. The product is also vegan, halal and kosher.

So, sweets without sins get a name - Sweet Stories® sweet cotton floss and this with the same excellent taste as regular cotton candy!
