Dispenser JAMinJAR and dispenser UP: the perfect combination of practicality, design and sustainability

Menz&Gasser has always stood out for its continuous search for innovative solutions in the HO.RE.CA. and Bakery channels. Its dispensers are an indispensable tool for professionals who want offer practicality without sacrificing on design.

A wide range of smooth jams with 50% fruit content, spreads and flower honey are available for use with these elegant dispensers. For international and multi-ethnic client, most products carry Kosher, Halal and/or Vegan certification.

UP

The latest addition to Menz&Gasser's dispenser range for breakfast buffets, "Up" is not only compact, hygienic and functional but also easy to clean, maintenance-free with a precise dosage. It fits everywhere because it takes up little space and, thanks to its elegant glass, jar will decorate any buffet.

Also available with filling nozzle.

JAMinJAR

Both pleasing to the eye and easy to use, this dispenser has a modern, practical design that adds a touch of elegance to any buffet.

With its compact, stainless steel construction, JAMinJAR is robust and fits easily on any breakfast buffet. It is easily disassembled and dishwasher safe, making it ideal for use on a daily basis.

For bakers and bars, a nozzle is also available for filling brioches and croissants to order.

SUSTAINABILITY

Thanks to the round shape of the jar, all the product is dispensed, eliminating food waste. When empty, the jar can be reused as a container for snacks or condiments.

Nature, environment, people: for Menz&Gasser it is important to play an active social role within our local community, ensure the wellbeing of our employees and remain committed to defending the environment with decisive actions, such as energy saving, reducing consumption and using energy from renewable sources.
