Mozzarella Sticks

The Lutosa **Mozzarella Sticks** are the latest addition to our Foodservice offering.

Our Mozzarella sticks (+/- 30g) are lightly seasoned and have a delicious cheese taste. They are an indispensable addition to your tapas plate. Made with only real mozzarella cheese, they are irresistible as an appetizer to share with friends or as a gourmet starter.

When fried to perfection, a firm and crispy breading reveals a creamy center that melts in your mouth, offering a comforting and addictive culinary experience.
