AUTHENTIC ITALIAN FLAVORS FOR TODAY'S CONSUMER

Treviso-Italy 1st October 2023

Surmont Spa is an Italian family run business, located in the North East of Italy, 50 km from Venice. It has a long history in cultivating and preserving mushrooms and in the last 20 years, its efforts has concentrated in developing and producing **Authentic Italian IQF Frozen ready meals**, with particular attention to innovation and product development.

The plant is certified IFS, BRC, Organic, USFDA and built in order to reach the highest levels of hygiene, safety, innovation and practicality. A third expansion of the production department was completed in August 2018 with a new production capability: a state-of-the-art new packing machine for trays and bowls.

Products are always new and tailor made in order to satisfy each specific request of the clients, putting our great expertise and know-how to their service. We can supply our own brand "Cucina Sartor" but also Private Label products. Various packing solutions are available according to the necessities of each product and client.

Italian Cuisine is the core element in each recipe created by our R&D department, cooked with passion and energy in an all-natural process without additional additives and flavoring, just like home-made.

The range of product is wide:

- first dishes (Risottos, pastas)
- complete cooked soups (minestrone, mushrooms soup, chunky country soup)
- sides (grilled potatoes and artichokes, grilled potatoes and mushrooms with Porcini)
- sauteed cooked mushrooms with Porcini
- grains and legumes medley with vegetables
- vegetables chilis

NEW PRODUCTS:

- Italian peperonata – Sweet pepper with tomato sauce
- Uccelletto Baked Beans with tomato sauce
- Sicilian Patate apparecchiate – grilled potatoes with onions, black olives, grilled peppers with sauce
- Grilled Batate & Potatoes Gourmet with a sauce/glass with Modena Balsamic Vinegar IGP

Each dish is seasoned using traditional Italian garden herbs & Extra Virgin olive oil – the product line-up provides a variety of trend-forward, good-for-you lunch & dinner options that target health conscious & US consumers seeking genuine bold flavor, authentic Italian tastes, with simple ingredients

Ingredients used are of the best quality, as there's a great selection of vegetables and mushrooms as well as for all other ingredients used in our preparations.

Moreover, with the technical expertise, rigorous quality control at each stage, stringent grower specifications and full traceability,

Surmont guarantees superior quality standards across all products.
