_WE ARE CAFÉS BAQUÉ

FOOD SERVICE PRODUCT LINE

WE LISTEN TO YOU... so we can offer the right product for each client at the time of consumption. We offer an integral service that helps guarantee the success of your business.

WE TAKE CARE OF YOU... thanks to our Quality Department that tastes more than 20,000 cups of coffee a year, we can guarantee the quality and homogeneity of our coffee in every cup.

WE PAMPER OUR PRODUCTS... since we roast by origin we obtain uniform roasts and blends that maintain all their organoleptic qualities.

YOU CAN FEEL SAFE... because you're working hand in hand with the leading food service brand and professional product line in the north of Spain.

BE DIFFERENT... our wide variety of coffees and complementary products can be adapted to your needs and your customer's needs as well. You will be able to offer a quality product that has a proven track record, which means you will stand out from the rest.

WE TRAIN YOU... in our Coffee School we advise our customers according to their requirements.

PRIVATE RESERVE

This premium range of coffee offers a perfect experience in every cup. Our Reserva Privada (Private Reserve) product line is made from coffee that has been harvested using a traditional method where only the most refined and selected beans are chosen from Latin America, Africa, the Middle East and Asia.

Reserva Privada is a coffee that has been carefully selected and roasted and then packaged in pressurised hoppers so it preserves all the refined characteristics that a distinguishing palate can appreciate. The high quality of this coffee offers a unique and unforgettable experience every time.

TECHNICAL

BASIC RANGE

We offer a product line for those who need a basic solution, adapted to businesses where price is an important factor in their decision-making process. At Cafés Baqué we offer you a range of basic whole beans and ground coffees with a variety of roasts, from 100% natural blends to ones that have 35% dark roasted.

TECHNICAL

DATA

PACKAGING Bag with an easy-open system and a gas release valve.

MATERIAL Aluminium which preserves the aroma and protects the coffee from humidity and oxidation.

LOGISTIC FORMAT 1 KG.

_SELECTED WHOLE BEAN COFFEE

Maximum performance. This coffee's African and Asian origins predominate and there is a greater percentage of Robusta, which means it is a drink that is harder, stronger and more bitter in the cup. It's a coffee that offers you the Cafés Baqué guarantee at the best price.

TIME TO RELAX PYRAMID TEAS

DISCOVER OUR MOST EXCLUSIVE TEAS

Our premium selection meets the needs and highest expectations of tea drinkers today.

This is a selection of teas that came out of an exhaustive series of tastings where we were looking for a range of aromas and flavours that were both fruity and intense. The pyramid-format teas have a lot of great advantages:

- Easier to offer a single serving.
- Quicker to serve and more hygienic.
- Guarantee greater freshness. Qualities of the product are maintained.
- Allow a slow release of the aromas, which lends to a higher quality steeping process.
- More aroma, flavour and colour in every cup.

TECHNICAL

DATA

PACKAGING Carton dispensing cases.

MATERIAL Individual pouches that preserve the aroma and protect the tea from humidity and oxidation.

LOGISTIC FORMAT 20 pyramids/box (2g/pyramid bag).

ORGANIC PYRAMID TEAS

DISCOVER OUR BIODEGRADABLE SELECTION, THE MOST NATURAL OPTION

They come in individual packaged biodegradable pyramid-shaped bags that are made from corn starch, which means they:

- Biodegraded when combined with other waste so it is unnecessary to place them in a separate bin. This also means they don't contribute to the generation of unnecessary waste.
- Make it easier to offer a single serving.
- Can be served more quickly and are more hygienic.
- Guarantee that the product stays fresher longer.
