Trapani, about us

We are a family business founded in 1937 dedicated to the production of citrus fruits, with fresh lemons and their derivatives being our main products. Our extensive experience and knowledge have been passed down from father to son through several generations, taking the foundation and principles of our founder, Ignacio Trapani.

Our industrial products:

All these options are lemon, orange or grapefruit.

Citrus Juices (conventional & organic):

- Concentrated Juices Cloudy
- Concentrated Juices Clear
- NFC Juices (*)
- TOP Lemon Juice
