OLIVE OIL

ECOLÓGICO / ORGANIC

HOMENAJE es un tributo al Virgen Extra Cosecha Temprana procedente de aceitunas en producción ecológica y que han sido recolectadas bajo la atenta mirada de la Fortaleza, vigía y guía.

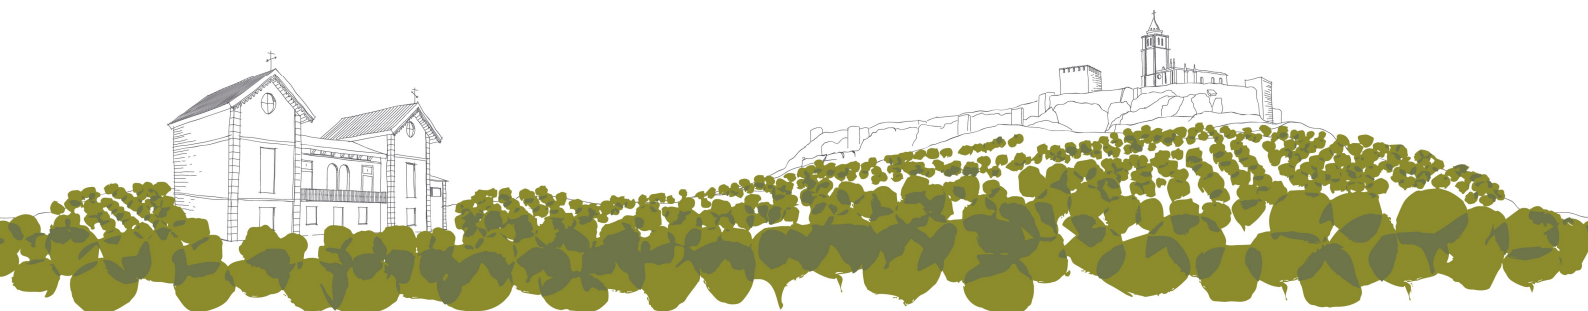

Homenaje is our tribute to the Extra Virgin Early Harvest produced from olive groves in organic farming and harvested under the watchful eye of the "Fortress of La Mota": guard and guide. Its watchtower, known as "Tower of Homenaje", was not only an inspiration but also the way to pay tribute to our land and its heritage.

Intense and high fruity of green olives

Very complex at the smelling, with a strong aroma of olive leaf and freshly cut grass, tomato and a touch of green apple. In the aftertaste, green almonds can be appreciated. Stand out its harmony, complexity and herbaceous tones

A delicate but persistent bitterness precedes a pleasant pungency. The flavor is complex with a certain astringency of green almond and leaf.

Intense, elegant and well-balanced.
