

WHAT YOU SEE IS WHAT YOU GET

MidMix III – the advancement of all PostMix systems!

The drink concentrate is mixed in a special mixing block completely sealed from air and is injected into fresh water while the finished drink is dispensed through a special hygienic and tempered glass tube. This tube is then immediately rinsed with fresh water: **no residues, no drying up and visible cleanliness!** Experience hygiene at a new level!

THE NEW VISI! IT HAS ARRIVED TO CHANGE EVERYTHING!

With its fully automated and intelligent refill system, it is the ultimate independent solution for any buffet. Fresh and chilled juices are dispensed through the carafe without any additional effort for staff, while ensuring maximum hygiene.

FRUCTÖMAT

WITH SUPERIOR TECHNOLOGY ABSOLUTELY EVERYTHING IS IN VIEW

Space for your own logo

INTEGRATED CARAFES:

Your guests see the juices in the closed glass carafes, which creates a feeling of reliability and trust and thus higher acceptance of the beverage offer.

SMART A-REFILL:

The glass carafes are refilled fully automatically, saving staff from extra work and worries during peak times. Thanks to the **smart technology**, there are always fresh and chilled juices available for your guests!

FLEXIBLE DECO:

For optimal adaptation to any interior design or brand promotion.

COMPACT & FLEXIBLE:

The first carafe dispenser in the world with **such a small space** requirement! For flexible installations thanks to the model variants and design options.

EASY TO CLEAN:

Automatic cleaning with each refill, the glass carafes can be easily removed by staff and they are suitable for cleaning in the dishwasher.

HIGHER HYGIENE:

The juices in the glass carafes are protected from dust, germs, virus droplets, etc. = generally safe from external contamination.

THE ADVANTAGES AT A GLANCE:

- 4 juices + chilled water (Co² optional)
- Bag-in-Box concentrates in the machine housing or the base cabinet
- Automatic cleaning and high hygienic safety
- Perfect mixing result thanks to the patented MidMix® technology
- Fully electronic control for precise, consistent dosing
- Easy handling simple refilling, programming, service and cleaning
- Contactless and electronic "concentrate empty notification" function
- Drip tray with electronic monitoring ("FULL" and position control) - optional
- Made-to-last! = Industrial quality with robust materials
- Decorative front panels, scratch-resistant and easy to replace
