What makes our food so good?

At Sempio, we know that great food brings people together. Grown from simple beginnings and family values in Korea – a country famous for its food-sharing culture – our products show over 75 years of dedication, scientific research and development in producing the very best authentic fermented foods.

Every day, we work with other experts from across the world to innovate, educate and create new and exciting flavors to bring to your kitchen – so it's easy for you to have fun, get creative and enjoy authentic Korean-inspired dishes with a twist in the comfort of your own home.

For even more information visit our website, globalsempio.com

Over 75 years of Korean expertise

Brought to life in 1946, Sempio remain Korea's number one household brand. Made popular by our soy sauce and kimchi, we specialise in authentic fermented foods and creating delicious Korean flavors that can be used in cooking world-wide. Sempio products are recognized by industry experts for their outstanding quality, thanks to our continued use of superior technology combined with traditional techniques.

- 1946** Establishment of Sempio Foods Company
- 1959** Exported Sempio Soy Sauce to Hong Kong
- 1987** Began operation of Asia's largest production facilities in suburban Icheon
- 2000** Received ISO 14001 certification for environmentally friendly managerial operations. Established Sempio Foods Service in Los Angeles, USA.
- 2002** Received HACCP quality approval
- 2003** Received certification from KOLAS (Internationally recognized testing organization)
- 2008** Established Sempio China in Shanghai
- 2013** Received Red Dot Award (Jang products)
- 2013** Opened a Cutting-Edge Fermentation Research Center
- 2014** Received Safe Quality Food Institute (SQFI) Practitioner of the Year Award
- 2015** Established Sempio branch office in New York, USA
- 2016** Established Barcelona office in Spain

Kimchi

There's nothing quite like the fresh, spicy crunch of perfectly-made kimchi. Made by fermenting salted vegetables of choice such as cabbage, cucumber, or radish with a tasty seasoning blend, it's traditionally eaten as a side dish, but can be added to all kinds of recipes to amp up the flavor.

※ Certified HACCP, SQF

Kimchi Base Sauce

Make kimchi your way – the easy way! Just mix our base sauce with red pepper flakes and add it to your choice of main ingredient. You can make 1kg of Kimchi with 1 pack of base sauce.
