

Paradise Ingredients
From Costa Rica to the World

We are a leading supplier
of the world largest
food companies. 

- Our products are used in companies located in the United States, China, Japan, South America, Australia, New Zealand and many more.
- About 2,100 fcl exported per year.
- About 100,000 tons of fruit processed per year.
- About 42,000 tons of product exported per year.

What we offer

Aseptic Banana Puree

Aseptic banana puree is creamy yellow with no off aromas or flavors. The taste is sweet of fully ripe bananas.

Banana Essence

We have a banana essence with a clear colorless liquid and no artificial aromas or flavors.

Frozen banana puree concentrate

This product has an excellent quality, in particularly color and texture, while maintaining a natural banana flavor.

Our products of banana can be:

Baby Food | Organic | Rainforest | Conventional | With/without seeds

Attributes of our banana products:

- No artificial preservatives
- 100% natural
- High quality
- Gluten free

- With real fruit
- Non Allergen
- Non GMO
- Certified on food safety and environmental process
