- IMPORT -**

# QUALITY & **INNOVATION**

---

## QUALITY PROCESS

Quality control throughout the supply chain: raw material, manufacturing and customer service

## SUSTAINABILITY

Sustainable business creates long term value based on a growing awareness of ecological and social environmental issues.

## R+D

Research, development and innovation are fundamental to Golden Foods. Exploring the latest food trends, materialising them, and finally bringing them to the consumer.

# CERTIFICATIONS

---

Our strict quality controls make possible to achieve the most demanding quality certifications. Recently we have obtained the Sedex social Audit, focused on the evaluation of the ethical trade.
