As if all the gold and silver in the world could be concentrated in a single nugget of walnut and chocolate 72%.

The unmistakable flavor and crunchiness of our proximity walnuts coated in caramel and honey.

Savor our caramelized walnuts coated in praline with an intense cocoa finish ... Truly, a "Grand Plaisir".

At PIFARRÉ we have been dedicated to manufacturing sweets, since 1911; four generations committed to satisfy the customers that trust our brand.

We are constantly evolving, in order to blend tradition and technology and give our products an absolute quality guaranty and the best taste that makes every occasion special, because life can be sweet.

This catalogue shows part of our product line, and we believe you will find exactly what you are looking for.
