COMPANY PROFILE

Wellnesscare International Corporation (WIC) was established in March 2009. WIC is aimed at promoting over all well being through the introduction of thoroughly researched and carefully selected natural health products that are locally produced in the Philippines.

The company's main activities are in exporting, trading and distributing wellness products essential to human physiological needs. Wellnesscare has exported to Malaysia, Japan, New Zealand, China, Taiwan, Hong Kong, and Singapore.

The company runs on the principles of quality, good service, fairness, and excellence in all endeavors of the business. Our commitment and dedication is to satisfy and serve the best to our clients.

MISSION

To be the company that supports the advocacy of **"wellness"** and encourages people to be well and to live well, by providing the superior quality of natural health products, at a reasonable price while supporting the growth and advancement of high value, unique, and essential Philippine-made products locally and globally.

VISION

To be a mission driven company that leads in the local production, distribution and export of high value wellness products through the company's principles of quality, good service, fairness, and excellence.
