SAN MARCOS DRIP COFFEE BAGS

Delightful flavor, born in highland **San Marcos** and developed in our San Ramon roastery.

For the first time ever, using our highly technological machinery, we offer our innovative drip bags to allow a gourmet coffee experience on the go.

Organoleptic features: The combination of altitude and climate, provides this coffee with unique organoleptic characteristics: good body with a cup of high acidity, excellent aroma characterized by an intense and slightly chocolate flavor, creamy and long aftertaste.

- 📍 Region: Tarrazu
- ☕ Roast:
- 👃 Flavor Notes: Chocolate
- 🌿 100 % Arabica Ground coffee / Single origin
- ⚡ Grown at altitude 1200-1900 m above sea level
