# Who we are

**Croquetasricas.com** was born to be a reference for gourmet handmade Croquettes, traditionally made so that you don't have to bother making them at home or for your business.

We specialise in Croquettes, we test every single batch to make sure it's perfect, our bechamel is made with love and care to guarantee the creamiest products possible.

We are so confident about our products, that if you don't love them, **we promise to refund your money!**

# Our Croquettes

Our Croquettes are very creamy inside and **crunchy on the outside, which is what makes a delicious result.**

Our bechamel is made with natural, top quality products. An artesanal production of flour, milk and butter that makes the base of the product, that's our secret.

The ingredients that we use are of the highest quality, which we guarantee by only working with well known suppliers in their sectors.

# Our Flavors

The best croquettes in the world value for money. Made of pure **Iberian ham** from top dressing pork cut into small pieces. This them gives the best flavor on the market and that they are unique in their gender.
