

VEGANELA BALLS WITH COCONUT MILK

with no added sugar

Nature's Bliss in Every Bite...

Discover real plant-based sweet pleasure without added sugar! Feel FIT Coconut Veganela Balls are unique coconut pralines with almonds that not only taste delicious, but are also ideal for those practicing a vegan diet. Our coconut balls are completely free of animal ingredients, making them a great option for vegans. Enjoy the taste of crunchy almonds, creamy coconut filling and delicate coconut flakes on the outside. Our coconut balls are not only delicious, but also healthy and provide nutritional value.

with an almond

no added sugar

17% protein

Temptation you don't have to resist

Protein coconut balls are fit, healthy and tasty snacks that can easily replace traditional sweets! Each praline contains a carefully selected whole ALMOND and PROTEIN CREAM with a delicate consistency and coconut flavour. It is coated in CRUNCHY WAFER with a coating glaze and sprinkled with coconut flakes.

Now you can grab your favourite sweets without any regrets!
