Innovative Design for Enhanced Functionality and Safety

Despite its powerful performance, the Ronix 8600 Cordless Mini Chainsaw remains lightweight and compact, weighing just 1.67kg. It features a unique design made for highest functionality and user safety. Its ergonomic handle can rotate 45° left and right, providing users with enhanced control and maneuverability during operation. Additionally, a 180° rotatable blade guard adds an extra layer of protection, ensuring safe and secure use in any cutting environment. The saw is also equipped with a safety switch, automatic lubricating system, and a rubberized soft grip top handle for added comfort and convenience.

Cutting-Edge Features for Optimal Operation

Equipped with cutting-edge features, the Ronix 8600 Cordless Mini Chainsaw offers optimal operation for various cutting tasks. Its 'Tool-less' saw chain adjustment system allows for hassle-free operation and maintenance, eliminating the need for additional tools. With a 1/4" cutting chain, this chainsaw ensures high cutting efficiency, boasting a chain speed of 4.8m/s and the ability to tackle a maximum cutting diameter of 6"/150mm. The included 195mm chain bar provides sturdy support during cutting operations, while the protective bar cover ensures the chainsaw's safety during transportation and storage.
