

RONIX 8905K BRUSHLESS IMPACT DRILL KIT

COMPACT DESIGN, BIG IMPACT

RONIX PRESENTS ITS COLLECTION OF TOOLS IN A WIDE VARIETY AT THE EISENWARENMESSE INCLUDING THE 8905K BRUSHLESS IMPACT DRILL KIT IN ALL ITS GLORY. THIS TOOL KIT WILL DO WONDERS TO YOUR PERFORMANCE IN DRILLING, SCREWING, AND HAMMER DRILLING.

All the Efficiency You're Looking for

Heavy-duty and powerful? YES! Cutting-edge technology? OF COURSE! One battery compatible with all 89 products? CHECKED! Brushless and high-efficiency motor? DONE! Compact and ergonomic design? DELIVERED!

Impactful Power

The power of the Ronix 8905K Hammer Drill Kit will surprise you considering its size. It's efficiently designed in a compact, ergonomic way but also has a brushless, waterproof 20 V motor that delivers considerable power for heavy-duty tasks. This power is converted into 0-6750 IPM and 0-30000 IPM impact rates to generate 0-450 RPM and 0-2000 RPM no-load rotation speeds. All this power is in your hands, cordless and boundless.

One Tool, 3 Jobs

This hammer drill provides you with 3 functions of drilling, screwing, and hammer drilling while having just 1.18 kg of weight; meaning you can get all of these jobs done with the least amount of strain on your hands. In the screwdriver mode, the 8905K has 21+3 clutch settings that make it suitable for small and big screws.

For Wood, Metal, Concrete, ... You Name It

The keyless chuck type is fully made of metal, making it highly durable in tight spaces. With this device, you can drill up to 38 mm in wood and up to 13 mm in concrete and metal.

The Ronix 8905K has a built-in LED light, a lithium-ion battery, and a fast charging system to provide the user with optimum performance.

Join Ronix at **Eisenwarenmesse 2024 - Hall 10.1, Stand C-090-B-090** to explore the Ronix 8905K Hammer Drill Kit along with thousands of other excellent products.
