### **COMEUP CSH-130/250: For core of material handling hoist with safety and cleanliness**

COMEUP Industries Inc., a global leader in winch and hoist solutions, proudly introduces the Compact Strap Hoist (CSH-130/250) is defining material handling with safety and cleanliness at its core.

Designed for 130 kg/250 kg lifting loads, its compact build ensures easy installation. The high-strength strap guarantees smooth winding, eliminating load rotation issues, while non-chipping, non-sparking features make it perfect for stringent cleanliness standards. The hoist incorporates an upper limit switch for over-lifting prevention and triple brakes for slip-free operation. With a permanent magnetic motor ensuring constant output and low noise, it operates on standard power supply and complies with CE Machinery Directive 2006/42/EC, CE EMC Directive 2014/30/EU, and Safety of machinery EN 60204-32:2008.

Elevate your material handling with the Compact Strap Hoist, setting a standard in safety, efficiency, and cleanliness. For businesses seeking efficient and reliable hoisting solutions, COMEUP presents the perfect answer with the Compact Strap Hoist.
