FELLOWES UNVEILS INTEGRATED WORKSPACE SOLUTIONS AT ORGATEC

For the first time, Fellowes is proud to showcase a comprehensive, fully integrated range of high-quality monitor arms, power solutions, and cable management systems at Orgatec. This combination is set to redefine the future of workspaces, offering to deliver the ideal configuration for any customer. Orgatec attendees will be among the first to experience these cutting-edge solutions that promise to transform the way we work.

Guests at the Fellowes stand can expect the following from this new product lineup:

Monitor Arms:

Rising™: Winner of the prestigious Red Dot Award 2024. Precision-engineered Rising monitor arms offer hassle-free assembly, ultimate flexibility, and an elevated design.

Available in nine finish options to bring unparalleled sophistication to your workspace.

Galaxy: A modular range supporting up to 12 monitors. The modular, fully configurable design of Galaxy allows it to adapt to the changing needs of your workspace, making it a future-proof and sustainable solution.

Power Solutions:

Innovative power solutions designed to enhance productivity and streamline office environments, integrating seamlessly with Fellowes' full range of products. These solutions are perfect for desks and meeting rooms, offering on-desk, under-desk, and in-desk options. The newly developed Desk Up 3.0 series, featuring wireless charging and USB A & C connectivity up to 65W for workspaces, will be unveiled to the public for the first time. Sophisticated solutions for meeting tables, such as the Pop Up Meeting and the Desk In Slide, will also be showcased.

Cable Management:

Advanced cable management systems that improve organisation and efficiency. From cable spines to cable grips, the full range contributes to cleaner, safer and more functional workspace.

Rising Loft Rail System:

We are proud to announce the launch of the latest innovation in workspace ergonomics from Fellowes: Rising Loft™. A flexible, customisable rail system that arranges desktop equipment and accessories, equipping employees with the tools they need to produce their best at work. The system integrates with Fellowes' Red Dot award winning Rising™ monitor arms, power and organisational solutions to provide a new level of adjustability.

Johan Hereijgers, European Vice President of Contract Interiors at Fellowes, comments: "We're delighted to be returning to Orgatec in 2024 to showcase our expanded assortment of configurable, integrated monitor arm, power and cable management solutions. With countless, new innovations we are looking forward to welcoming visitors to our stand and making this a great event."

Fellowes Brands will be in Hall 7, stand C041. To book an appointment with one of our local experts please visit www.fellowes.com/orgatec.
