

We are thrilled to introduce the UPPAbaby Vista V3. With upgraded features focused on safety, comfort and convenience, the Vista V3 redefines the strolling experience, empowering parents to navigate parenthood with ease and style.

Vista® V3 Pushchair

With its intuitive design and over 30 ways to customise your ride, the reimagined Vista V3 was designed to effortlessly fit every growing family, from first child to last.

Starting as a single pushchair, it easily transforms to accommodate up to three children, offering the epitome of portability and convenience. The Vista V3 provides the most premium ride through every season.

The UPPAbaby Vista V3 will be available for purchase starting September 2nd at retailers nationwide. For more information and updates, please contact Simona Lane on simona@simonalanepc.co.uk

FlexRide Suspension

The Vista V3 boasts an upgraded suspension system, providing a softer ride for your little one and ensuring a smoother journey on any terrain.

Reflective Accents

Safety is paramount, especially during nighttime strolls. With new reflective details integrated into the design, the Vista V3 enhances visibility, offering peace of mind during evening adventures.

Frame Finish

Elevate your style with the Vista V3's new sleek clean frame finish. Combining sophistication with durability, this refined design adds a touch of elegance to your parenting journey.

All-Weather Comfort Toddler Seat

Catering to warmer weather, the Vista V3 introduces the all-new All-Weather Comfort Toddler Seat and ventilated carrycot. Crafted with breathable components, this innovative design ensures optimal comfort for your little one, even in the warmest weather conditions.

Carrycot with Dual Zipper

Convenience meets innovation with the Vista V3's new dual zip design on the carrycot. Easily attend to your baby with seamless access, allowing for hassle-free interactions on the go.

PARENTHOOD, UNDERSTOOD.™

UPPAbaby is a global company with small-town roots committed to improving the lives of parents by building the smartest juvenile gear available. Our products are intuitively designed and expertly crafted, with features parents rely on. Drawing on three decades of experience, UPPAbaby was founded in 2006 to create products that make life with kids more manageable, more fashionable, and even more fun.
