About Bc Babycare

Bc Babycare is a leading parenting brand established by a designer committed to solving industry challenges and enhancing solutions for modern families. Our extensive product range is crafted to support the diverse needs of parents and children, emphasizing both quality and practical innovation. Operating in over 30 countries and serving more than 50 million users globally, Bc Babycare continues to set the standard in baby care excellence.

Products on Display

Bc Babycare will showcase several innovative products at Kind + Jugend 2024, including:

partner@bcbabycare.com
<https://www.bcbabycare.com/>

Diaper Product: Bc Babycare Royal Lions Disposable Baby Diaper Soft, Thin & High Absorptent. A True All-Round Diaper Powerhouse.

1. Cloud-Soft & Delicate: natural weak-acid surface layer to effectively resolve baby's diaper rash
2. Dual-Layer SAP Core: instant absorption, capable of absorbing 8 times the urine volume in one go
3. High-Elasticity Leak Guard: avoid constricting baby belly and prevent back leakage
4. Exclusive Size XXXXL: larger size for bigger babies
