## **The new Halal range from tri d'Aix from Alsdorf leaves nothing to be desired**

Whether fruit gums, marshmallows, hard caramels or chewing gum, tri d'Aix from Alsdorf has been at home in the field of sugar confectionery since 1991. Whether sweet or sour in taste, vegan, gluten-free, with or without added sugar, classic or extraordinary and now also brand new in Halal quality, everyone will find what they are looking for at tri d'Aix.

Our new Halal fruit gums are available in both 1kg bags and handy 90g bags and offer the usual excellent taste with five attractive motifs from butterflies to chilis.

As part of the new Halal marshmallow range, we offer marshmallow hearts, rainbows, twirls and tubes in various packaging variants from header card bags to small and large retro tins and our popular marshmallow bag.

In addition to these new items, our Halal customers also have access to popular classics that have always been produced vegan, such as our sweet cotton candy from Sweet Stories or our Rocks candies and lollies.

Find out more about our new Halal range and visit us at our stand A10 in Hall 10.2
