

Ever Delicious - Product Catalogue Design

ABOUT US

Since its 1994-establishment, EVER DELICIOUS FOOD INDUSTRIES S/B. is now one of Malaysia's leading manufacturer and exporter of cookies.

Our wholesome product range is made using original recipes inclusive of the finest grades of natural ingredients. Backed by total control and maintenance of stringent quality and standards, our manufactured products are consistently delicious and most satisfying. Coupled with innovative packaging concepts and creative layout designs, our products are ideal for any occasion or as festive and celebration gifts, hampers and novelties.

OUR VISION

To establish our home-made style cookie products as a leading brand in both domestic and international markets.

OUR FOCUS

To strive for long term business growth by producing best products while always focusing on quality and variety sustainability. Our team constantly undertake product research and development for new and exciting products by studying market demands and preferences. We have a novel company focus, that is "Being Close To Our Customers" by which we communicate, listen and obtain feedback from our customers worldwide.
