

DURAGRASS™

Cover the Wear. Let the Grass Repair.

Dura-Grass.com

Take your garden from this...

Before installation – dead natural grass

to this!

After installation with natural grass growth

Hybrid Turf Technology

Perforated designs allows **real grass** to grow through it!

CLOSE-UP OF TURF WITH NATURAL GRASS GROWTH
50% perforation allows sun + water in and protects grass as it grows through

DURAGRASS

Choose your coverage size:

**Multiple Sizes
Available to Suit
Your Project Needs:**

0.91m x 1.5m	
0.91m x 3m	
0.91m x 6m
