

Casa del Gelato: Where Passion Meets Industrial Production.

For over forty years, Casa del Gelato has stood out for its unwavering commitment to research and development, with the goal of creating new flavor combinations that anticipate trends and meet the ever-evolving demands of the global market.

Our dedication to innovation translates into a broad and dynamic product range, including both traditional options and new creations inspired by emerging consumer needs – always focused on quality and customization.

Today, Casa del Gelato is a trusted partner for leading international retail chains, thanks to a modern and highly flexible production system capable of handling large volumes while maintaining high-quality standards.

Our automated lines, specialized in the production of plastic pints, single-serving cups, and 1-liter tubs, ensure efficiency, consistency, and on-time deliveries.

We combine tradition, technological innovation, and customer focus to offer outstanding products and tailor-made solutions.
