

HIGH PROTEIN DRESSING

Since 1641, Carandini has been synonymous with excellence—an art passed down through the centuries to turn simple ingredients into masterpieces of flavor.

Today, with our new line of High Protein Dressings, we continue our mission: to offer a condiment that celebrates the joy of food without compromise.

- Three different Dressings with three plant-based-proteins, to add flavor, taste, and power to every dish.
- Three of the world's most loved dressings, each crafted with a unique plant-based protein foundation.
- Three dressings made with natural ingredients, to *taste the power!*
