

Jektis Agro to Present High-Quality Date Products at Anuga Cologne 2025

Zarzis, Tunisia – **Jektis Agro**, a Tunisian company specializing in the packaging of premium dates and date-based products, is pleased to announce its participation in **Anuga Cologne 2025**, one of the world's leading trade fairs for the food and beverage industry.

Jektis Agro will showcase a wide selection of date products, including **natural dates, hydrated pitted dates, chopped dates, date paste, and date powder**. All products are processed under strict food safety and quality standards, certified **FSSC 22000 v6**, and meet international market demands.

Jektis Agro looks forward to welcoming partners, buyers, and distributors at **Anuga 2025**, to explore new collaborations and celebrate the excellence of Tunisian dates.

Visit us at Anuga Cologne 2025 – Hall 11.3 | Stand C040g - D049g– and experience the taste and quality of Tunisian craftsmanship.
