

Enjoyment is timeless

Our years of experience, best raw materials, finest craftsmanship, greatest care in production and our high quality standards make our products a unique taste experience.

As a tribute to the **timeless art of enjoyment**, you can now also enjoy our antipasti as a vegan product, completely free of animal products.

Our vegetables filled with creamy, vegan fresh cream are irresistible – identifying this, you don't have to be vegan.

you have the choice!

- many years of experience
- best raw materials
- creamy fresh cream
- without animal products – **100% vegan**

Available in various varieties and packagings, also available with a filling of finest hummus.
