

IL NUOVO SPRITZ ITALIANO

Zenzàpero® Italia
stimolante & piccante

APERITIVO SPRITZ ALCOHOL-FREE

Zenzàpero, the Italian non-alcoholic aperitif made from lots of fresh Italian ginger, Italian oranges & lemons.

Bitter notes of citrus peel with freshly squeezed oranges - „la spremuta“ refine the fruity spiciness of the ginger.

ZENZÀPERO IS A MIXER

Each bottle is rich of fresh ginger, it only needs a shot to create a classic Zenzàpero Spritz, mixed with Prosecco or just in sparkling water or tonic to get an alcohol-free aperitif.

FRESH ITALIAN GINGER

Our ginger is cultivated exclusively in Italy. The ginger is sorted, cleaned, peeled and chopped by hand to be processed immediately. Only the best pieces are bottled the same as with the fresh juice and peels from our orange and citrus fruits.

No dyes, flavours or chemical additives.

Processing & manufacturing procedures as exacting and crucial as is the choice of our fresh ingredients.

**ITALY'S HAPPIEST TIME OF THE DAY...
IS THE TIME OF THE APERITIVO & ONE OF THE FINEST TRADITIONS**

Ginger consumption has quadrupled in the last 10 years, with an ascending trend. With its high proportion of fresh ginger, Zenzàpero brings a new taste, that is enjoying an increasing popularity and is not restricted by any target group, as it is drunk both: alcoholic and non-alcoholic
