

## EL FALAF

EL FALAF, a Romanian producer of premium vegan frozen falafel, is showcasing its authentic Middle Eastern recipe at Anuga 2025. Made from natural ingredients, EL FALAF offers clean-label products for the modern, health-conscious consumer.

With a superior texture, long shelf life, and fast preparation time, EL FALAF stands out in the frozen food category. The products are already available in national and international retailers such as Auchan and Home Garden.

EL FALAF is actively looking for international distribution partners and retail buyers. Visit us in Stand 11.3 F13 for tastings, product samples, and meetings.
