Located in the heart of Hauts-de-France since 1997, **Pâtisserie des Flandres manufactures traditional products** such as waffles, coconut cakes and other specialties. This French family business of nearly 40 employees, is proud of its staff, all professionals who are passionate about their work.

Butter crackers: perfect for a savory snack !

The best-seller from Pâtisserie des Flandres! Delicious little savory, crispy wafers. Perfect for a snack or appetizer. Several recipes are available, most with PDO cheeses added directly to the waffle dough. The products are free from preservatives, palm oil, and flavors. Several packaging options are available to satisfy as many consumers as possible.

Crispy french crackers: the better snack to dip !

Looking for delicious crispy crackers, perfect for dipping or topping?

The range of crispy French crackers from Pâtisserie Des Flandres includes six delicious recipes. These round, waffle-shaped crackers are crispy and full of taste, making them the perfect to pair with guacamole, hummus, salmon, or ham, for example.

The company offers its products to various distribution networks in suitable formats. Packaging in drums for food service and in bags for catering.

The Pâtisserie Des Flandres' team will be exhibiting at Anuga 2025 !
