

## About Menguy's

Menguy's has built its expertise around the peanut — a staple ingredient of the aperitif tradition. The brand has mastered the art of selecting the finest raw materials through long-standing, trusted partnerships around the globe, and enhancing them using a unique process in southwest France.

For over 35 years, Menguy's has combined creativity and craftsmanship to offer a wide range of flavorful products. Each product is guaranteed to be both delicious and wholesome. From snacking to spreads, from breakfast to aperitif, Menguy's brings joy to every moment of the day.

Passed down from generation to generation, Menguy's products are shared hand to hand, amid laughter and good company, at gatherings with friends and family — perfectly suited for any occasion and every craving.

Quality, indulgence, conviviality: this is our motto!
