

PRESS RELEASE

FARÜCHOC – The chocolate factory for private label products

Osnabrück, 01 February 2026 The chocolate factory FARÜCHOC, based in Osnabrück, has specialized in the manufacturing, production, and packaging of solid and filled chocolate products. Its customers include many top companies from Germany and around the world. They trust in FARÜCHOC's recipe for success, combining expertise and technology with product diversity, flexibility, and customer focus. FARÜCHOC stands for high quality of service and products.

FARÜCHOC offers a wide range of napolitains, bars and mini bars, shaped chocolates, chocolate coated products, and clusters for the private label chocolate assortments.

In order to meet specific requirements of each of the customers, FARÜCHOC offer a wide range of packaging options for private label chocolate products. The development of new, innovative packaging solutions in cooperation with the customer is a focus for FARÜCHOC.

As part of the Windel Group, FARÜCHOC is now one of the most innovative chocolate factories in Germany. This is because the company has constantly evolved over the more than 100 years of its existence- always focused on the wishes and needs of its customers.
