

## The Bakers KARUZO

**KARUZO** is a sweet and tempting puff pastry brand for delicious and hunger satisfying croissant buns with great round shape and a variety of delicious flavor combinations. **KARUZO** is created with love to brighten your day with a smile, positive energy and good mood.

### **KARUZO Croissant Bun. Taste is all round!**

**Karuzo** is so fluffy, soft and delightful! You can call it a croissant, but it is not a common one. It is thoughtfully created to have a shape of a bun, thus being unique, exciting and even more delightful.

**Unique croissant in a round shape!** Karuzo's round shape make it possible that it has **rich cream filing in each delicious bite.**

### **Cream fillings**

Karuzo cream fillings are one of a kind - **its most notable and recognisable feature.**

Carefully considered the cream filling combinations are both intriguing, mouthwatering and satisfying.

One can easily fall in love in the perfect match between the fascinating sweetness of the cream fillings, embraced by thousands of fluffy dough layers.

Both enjoyable and hunger satisfying – who can ask for more?!

**Karuzo** presents the very best of bakery – croissant buns with fresh **out-of-the-oven aroma**, that are soft, fluffy and succulent, accompanied by **rich delicious creams** - melting cocoa cream with milk chocolate and a modern twist of delicious cream cheese & fruity combination of fruity cheesecake flavours.

As well as the beloved Tiramisu and mostly popular Pistachio.

**Karuzo** comes in 6 great flavors for the 82g and in 3 specially selected flavors for the 60g format.
