

The Bakers ZIGI

ZIGI is a brand for peanuts that are so crunchy, incredibly tasty and rich in flavor, as they are prepared by innovative technology of marination.

Being daring and novel brand, especially when it comes to taste and crunchiness, ZIGI cannot stand for **anything less but extraordinariness.**

ZIGI is a brand for incredible peanuts - **Small in size, Big in flavor!**

ZIGI peanuts are marinated following a special technology!

It is a well-known, acknowledged and indisputable fact that marinating makes the food even more delicious, emphasizing on its nature.

Marinating of the peanuts, following ZIGI innovative marination technology, results in an unique crispness of the product and much more taste, bringing the delicious nature of peanuts to new levels.

Marinated Peanuts have extraordinary crunchiness and bigger peanut taste.

ZIGI peanuts are full of flavors – inside and out!

ZIGI peanuts are made with natural flavourings only!

The colouring is natural too, and there are no MSG added and no preservatives to better meet the latest consumer preferences and market trends for more healthier propositions and choices.

Innovative approach that puts together the classic peanut taste and 5 incredible flavors which tickle the senses – **Sweet Chili, Teriyaki, Salted, Honey Mustard, Sriracha Hot Chili.**

Zigi comes in two formats – on-the-go 70g pack and Party Pack of 180g.
