

Epoca, founded in 1968, is a leader in the fields of gardening, agriculture and household, professional and domestic cleaning the chemical, and food industry. From a small family business, the company has achieved exponential growth, increasing its turnover from 3.8 to 13 million and its workforce from 25 to 55 specialists.

Operating three production plants in Bassano del Grappa, covering 11,000 square metres, Epoca ensures the high quality of its products through in-house and advanced production processes characterised by innovation and originality.

Epoca's corporate philosophy is based on four pillars: product quality, attention to market evolution, valorisation of human resources and focus on customer satisfaction. Demonstrating a concrete commitment to the environment, Epoca has flanked the Eco-Love range with two other lines of eco-sustainable products that meet the criteria of efficiency and eco-compatibility.

### **ULTIMATE: High-performance pressure sprayer for aggressive chemicals**

High-performance pressure sprayer equipped with highly chemical-resistant seals, specifically designed for the application of particularly aggressive chemicals. Thanks to its robust construction and advanced sealing system, it ensures maximum durability, safety, and efficiency even under the most demanding chemical conditions.

Ideal for use with:

- High-percentage solvent blends containing xylene, toluene, various alcohols, acetates, and ketones (up to 30% acetone)
- Concentrated glycol ethers and cyclohexane
- Special formulations based on naphtha (crude oil derivatives), mineral oils, and other petroleum-based solvents

Its versatility makes it suitable for multiple fields of application, including:

- Brake cleaners with acetate (up to 30% concentration)
- Safety and cold cleaners
- Assembly, engine, machine and parts cleaners
- Fast-acting degreasers
- Silicone, paint and adhesive removers
- Nitro and wash thinners
- Corrosion protection and rust converters
