

JY1588: 6 in 1 Pneumatic Cable Staple Gun for both Concrete and Wood Use

JANN-YEI is excited to introduce our professional 6 in 1 pneumatic cable staple gun which can fix cable on concrete and wood.

Established in 1984, JANN-YEI has over 38-year experiences in developing all kinds of staple gun, cable staple gun, electric staple gun, and hammer tacker. We have in-house R&D team and are certificated with ISO 9001, CSA, UL, GS/ TUV, and CE. We do ODM/OEM for Rapid, Arrow, Gardner Bender, Harbor Freight and DAISO. All of our products are proudly made in Taiwan.

Key Features:

- Can be used on both Concrete and Wood
- Can be used with Patented Insulated Cable Staples which Can Secure Round and Flat Cable
- Can use six different sizes of staples (three for wood use and three for concrete use)
- Recoilless
