For immediate release

Inter-Sprint at The Tire Cologne 2026

From 9 to 11 June 2026, **Inter-Sprint Banden B.V.** will be present at The Tire Cologne in Cologne. This international trade fair brings together professionals from the tyre and wheel industry and offers an important opportunity to meet customers and business partners.

During the exhibition, Inter-Sprint can be found in **hall 7, stand C18**, where staff will be ready to welcome visitors and relations. With more than 55 years of experience in the tyre industry, Inter-Sprint offers an extensive multi-brand portfolio. The range consists of brands for a wide variety of applications, including **premium, quality, economy and budget segments**, as well as **private labels and exclusive brands**. Thanks to strong availability, Inter-Sprint supports customers throughout Europe.

Products on display

At the stand, Inter-Sprint will present a broad range across different segments:

- Passenger car and van tyres (PCR and LCV)
- Truck tyres
- Motorcycle tyres
- Alloy wheels and related products such as TPMS sensors and spare kits

During The Tire Cologne, visitors will gain insight into the product range and its applications across the various segments. Inter-Tyre will also be present at the stand, showcasing its range of wheels, TPMS sensors and spare kits.

With its presence at The Tire Cologne, Inter-Sprint underlines its commitment to the European tyre market and the importance of direct contact with customers and partners.

Visit us from 9 to 11 June 2026 in hall 7, stand C18!
